

Franz Thimm

French Self-Taught by Franz J.L. Thimm

Part of a LibriVox initiative to develop a free language-learning resource. This book is old, but the basics haven't changed *too* much. All the French content is spoken by native French speakers.

The book includes sections on vocabulary, nouns, adjectives, verbs and phrases, and will still prove useful. Some of the phrases are dated but hilarious. If you need a flannel petticoat, or to chastise your washerwoman, this book is definitely for you! (Summary by Ruth Golding)

Languages: English and French

Read by Michaël Cadilhac, Nadine Eckert-Boulet and Ruth Golding

Total running time 3:00:52
